

## ASSET & INTEGRITY MANAGEMENT

We provide end-to-end asset integrity solutions, aiming for increased plant, machinery and asset availability, measurable safety and integrity, and optimised expenditure, performance and productivity.

**500+ active projects** in infrastructure, urban & heavy industry-related sectors, globally

**5% - 20% improvements** proven for asset optimisation solutions that deliver production and performance

**OVER 40 YEARS of experience** with ports and marine infrastructure through design, engineering and asset health & integrity management

## FACILITIES MANAGEMENT

Make your assets work harder with our integrated and digital facilities management solutions. We partner with our clients to create optimal outcomes for both the asset owner and user.

Strong competency in managing **MILITARY FACILITIES** such as naval bases, air bases, rifle ranges and training grounds

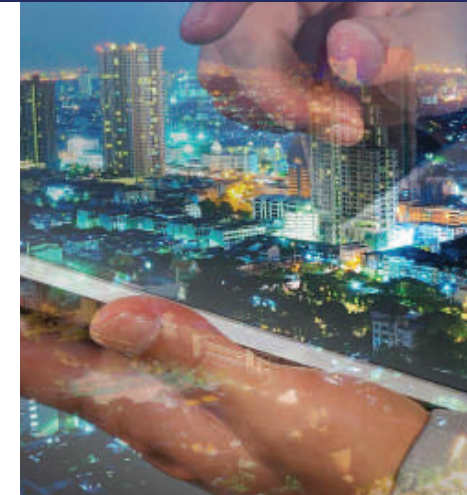

Solid track record of over **20 YEARS** in Singapore across multiple sectors

Use of **Business Information Modelling** for 3D visualisation and seamless integration with Smart IoT solutions and FM operations

Managing **5 MILLION SQM** of significant and mission-critical facilities in military, education, business, industrial and public sectors

## SMART CITY SOLUTIONS

We combine smart technologies with Surbana Jurong's rich city-building perspectives and experience to deliver future-ready solutions.

**1,000,000 HOUSEHOLDS**

Three decades of experience working with Singapore's town councils, managing municipal services

**26,000 ELEVATORS**

Operational through condition-monitoring

**4 TERMINALS OF CHANGI AIRPORT**

Engineering inspection, facilities management and fault reporting

**LOCAL ROAD TRANSPORT SYSTEM**

Monitoring of all roadside mechanical & electrical assets

## SECURITY SERVICES & SOLUTIONS

Our integrated suite of security services and technology solutions consists of infrastructure protection, training, consultancy, event security, and assets management.

**5,000** security professionals, with a track record dating back to 2004

**3,000** trained auxiliary police officers

### IN-HOUSE TRAINING

Customisable WSQ security training programmes that are in full compliance with security industry standards.

### SECURED ASSETS MANAGEMENT
